Lujan Electrical Services was formed by Owner, Eli Lujan, with a mission to provide the best electrical contracting services in Denver. After working for years with other companies, he was not satisfied with the quality of work and integrity of the industry as a whole so he started his own company to be able to provide the best possible service to his customers.

Eli Lujan is a Master Electrician with 26 years of experience servicing customers from Denver to Vail. It is Mr. Lujan personal promise to utilize his knowledge and experience to bring honor and integrity to the quality of work his customers can expect. He has developed a team of experienced craftsman to work alongside him as he strives to provide a more genuine and reliable experience to his customers across the front range. Lujan Electrical Services always puts the customer first, the happiness and satisfaction is the ultimate and absolute end goal of any project large or small.
