Full Service Electrical Contractor

With well over 75 years of combined knowledge and experience, MMD Electrical has the knowledge and hands-on experience you can trust, ensuring your project will be completed safely, on time, and within budget.

We are one of the only full-service electrical contractors that can handle all your electrical needs from architectural lighting design to commercial and residential electrical to lighting control.

Our knowledgeable and courteous team will ensure your electrical and lighting experience is pleasant from scheduling to completion, with your work meeting all NEC codes.

We look forward to working with you.
